

Hot Bow Contest

The “Hot Bow” Contest is an open, stand alone, contest. It is not a State Championship category. This Contest is open to anyone not otherwise being compensated for services related to the event.

1. Contest Procedures:

- The “Hot Bow” Fiddle Contest is not a traditional old time fiddle contest. It is an all-out, OPEN Fiddle Contest.
- Tunes not generally allowed in traditional fiddle contests, due to bowing techniques or “show” value are allowed in this contest. There is no prohibition on tunes, bowing techniques or tunings.
- Contestants will play (3) three tunes within a 7 minute time limit.
- Contestants must play a slow tune, a fast tune, (*does NOT have to be a waltz and hoedown, but can be*), and a tune of the fiddler's choice, at any speed.
- Contestants may stop between tunes, or not, at their discretion. *If you exceed the seven-minute time limit, you will be disqualified.*
- Contestants must give their tunes, in writing, and in order of performance, (tune sheet) to the emcee who will announce the numbers prior to contestant beginning their performance.
- Contestants will draw for order at registration.
- Contestants must be ready to take the stage immediately after the previous contestant completes their performance and the Emcee announces your name. If you are not ready, you will lose your chance to compete and your entry fee will not be reimbursed.
- Contestants or accompanists are prohibited from singing or audible augmentation of tunes.
- Contestants may talk to the audience to establish stage presence, but, too much talk, jokes, introductions, etc., may adversely affect your score.
- Judges will watch and hear the entire performance from the front of the stage, in order to view stage presence.
- Appropriate and professional attire is encouraged and may affect scoring.

THERE IS 7 MINUTE TIME LIMIT, timer will give an obvious 6 minute warning, but if you go over seven minutes you will be disqualified.

- Contestant may use a maximum of 2 accompanists. Accompanist instruments shall play only rhythm. Accompanists playing lead or harmony parts will penalize the fiddle contestant’s score.
- If contestant breaks a string, they may continue or stop. If they continue, tunes will be judged as played. If the fiddler stops, he/she will be allowed reasonable time to replace the string, and begin with that tune, and complete his/her program. The seven-minute time limit will be adjusted to the start of that tune. This rule will apply only to the fiddler and not the accompanists. This rule will apply to any major mechanical failure of the fiddle or bow that would render the instrument unplayable, at the judge’s discretion.
- In the case of a tie for first place in this contest, the tied contestants will be required to come back to the stage and play one more tune as a tiebreaker tune. It will be a fast tempo tune, different than the first round tune, and contestant will have a 3-minute time limit.
- If a tie still exists after the first tiebreaker tune, each contestant involved in the tie shall play another tiebreaker round and the judges will determine what tempo to be played. This process will continue until a winning score is attained.
- A contestant is prohibited from playing any tune more than one time in the “Hot Bow” Contest.
- **This Contest is limited to six contestants.** Entries will be taken on a first come, first served basis. If all participants secure spots with online registration prior to the event weekend, no onsite registrations will be accepted.
- **If the contest does not have at least three contestants, the contest will be cancelled, and prize monies will not be paid out.**
