TUNE SOURCES

This list does not include all the acceptable tunes. Hopefully it is a helpful guide. It represents the diversity of tunes played in Arizona, New Mexico, Colorado, California and Nationals in Weiser, Idaho with those popular among our snowbird friends.

The following music books and lists were used in the determination of category of tunes... Jeanine R. Orme, Nate Olson, Peter Rolland (Fiddle Class Book 3), Virg Evans, Mel Bay books and lists from the National Oldtime Fiddle Contest in Weiser, Idaho. JayDean Ludiker graciously sent the content sheets of four of her fiddle books with notation for hoedown, waltz and choice.
